

# It Is Healing That I Seek

Daniel ben Avram

It is heal - ing that I seek, in all I say and all I do.  
 For it is whole-ness that I seek, in all I say and all I do.  
 For it is com - pas - sion that I seek, in all I say and all I do.  
 For it is mer - cy that I seek, in all I say and all I do.  
 For it is for - give - ness that I seek, in all I say and all I do.

And with heal - ing in my heart, - - - I find whole-ness in you.  
 And with whole-ness in my heart, I find com - pas - sion in you.  
 And with com - pas - sion in my heart, I find mer - cy in you.  
 And with mer - cy in my heart, I find for - give - ness in you.  
 And with for - give - ness in my heart, I can find heal - ing in you.
