Global Justice

## **Gather at Livermore Lab Tuesday, August 9 at 8 AM Nagasaki Day 2016**

***Music, speakers, drummers, art and more, followed by  
a short procession to the Livermore Lab gates where  
those who choose will peacefully risk arrest***

**Come to the Livermore nuclear weapons laboratory's northwest corner, at Vasco & Patterson Pass Roads, in Livermore.** There will be parking set up at the rally site and vanpools from the Dublin-Pleasanton BART station (you must call 925-443-7148 in advance to reserve a seat).

On the 71st anniversary of the U.S. atomic bombings of Hiroshima and Nagasaki, we invite all who seek peace and justice to gather at the location where scientists are developing new nuclear weapons for the U.S. arsenal. Each new weapon involves "upgraded" features able to cause unimaginable devastation anywhere on Earth. Livermore Lab's budget reveals that 86% of its funding is for nuclear weapons.

**Stand with Hibakusha (A-bomb survivors), Pacific Islanders and others harmed by nuclear technology.** This event is part of the global "*Chain Reaction: Breaking Free from Nuclear Weapons.*"

*Co-sponsored by American Friends Service Committee, Asian Americans for Peace & Justice, Catholic Workers, East Timor Religious Outreach, Ecumenical Peace Institute, Livermore Conversion Project, Marin Peace & Justice Coalition, Mt.
