

*August 6, 2015 will mark the 70th anniversary of the US atomic bombing of Hiroshima. JOIN US at the gates of the Livermore Nuclear Weapons Lab at 8:00 am for nonviolent commemoration and protest. Sponsors include: Western States Legal Foundation, Tri-Valley CAREs and AFSC. More information: (510) 839-5877*

16,300 nuclear weapons, most held by the US and Russia continue to pose an intolerable threat to humanity. The US is spending over \$35 billion/year to maintain and modernize its nuclear arsenal. The US/Russia conflict over Ukraine reveals the ever-present and growing danger of nuclear war. We must raise our voices again to demand the global abolition of nuclear weapons!  
**No More Hiroshimas! No More Nagasakis!**

**SAVE THE DATE**
